

March 17, 2020

Here are some important things to know for March 18-27.

- **MEALS:** Free breakfast and lunch pick-up will be available from 11am-12:30 pm, March 18-27, 2020 to all children 18 years and under. See additional details including locations [here](#).
- **CHILD CARE:** KinderClub, Fun 'N' Friend and Senior Leaders is not available during this closure. Child care is being offered to the children of parents working in critical professions (healthcare, emergency response, Brainerd Public Schools). If you qualify and indicated you need child care on the Community Needs Assessment survey, you should have received an enrollment form. Once we receive that, we will send you information about drop-off and pick-up. If you qualify and have this need but did not fill out the Community Needs Assessment or did not receive the enrollment form, please click [here](#) so we can get your child enrolled as soon as possible.
- **BUILDING ACCESS:** District facilities will be open on Thursday, March 19, and Friday, March 20, from 8am-3:30pm, for families to pick up items from their children's school. Only a limited number of people will be allowed in the building at a time.
- **DEVICE PICK-UP:** Families of middle school students will soon be getting information about how to pick up their devices from Principal Jon Anderson. Pick up will be Thursday, March 19, and Friday, March 20, 8am-8pm.
- **DISTANCE LEARNING:** Families will be notified regarding how to access distance learning materials for March 30. No student is receiving instruction from Brainerd Public Schools until March 30. Anything you receive that says otherwise is false.
